

Email Subject: ECHO – Instructions for Learners Seeking APA Credits

Greetings,

We hope you are enjoying the ECHO Training Program! At the end of the ECHO Training Program, learners who have completed all course objectives, (pre/posttest, participate in at least 2 module-specific discussion boards, the 2 assignments, and the program evaluation) will be awarded their completion certificate (17.75 continuing education credits).

**Only for learners seeking APA credits, in order for you to receive your continuing education credits, the APA now requires that you complete an additional post-test at the end of the program. *\*If you are not seeking APA credits, you will not need to complete the additional post-test and can disregard this email.\****

Important things to know:

- Upon completion of the ECHO Training Program, learners seeking APA credits will need to click on the link below and complete the 48-item post-test administered by Amedco.
- Learners must pass with at least a 75% score and will be given up to 5 attempts.
- To receive your continuing education credits, you must complete both the ECHO Training Program requirements AND the additional APA-required post-test (no partial credit is awarded).
- Upon verification that you have completed all requirements, the ECHO Team will email you a copy of your Completion Certificate.
- The deadline to complete the additional APA-required post-test is **April 19<sup>th</sup>, 2021**. *If you need an extension, please contact us.*

[Click here to complete the APA-required post-test](#) (only complete this AFTER completing the ECHO Training Program)

In addition to the link above, you may find this document on your My Training Dashboard. If you have any questions about the new APA requirement, please do not hesitate to contact us!

Best regards,
